Chairman & CEO
Canadian Premier League T20 LP
Cinro Resources Inc.

Thank you for offering your proposal to us for sanctioning & gaining rights for Toronto T20 Canadian Premier League event. We appreciate your plan on promoting & developing cricket through this event and working on building sustainable infrastructure in Canada. We also appreciate the presentation and the effort in the media that you have made so far with regards to the CPL T20 event.

It is our regret to inform you that we have chosen to not proceed with the sanctioning of the event. The executive & its board of directors had a full review meeting recently where they evaluated all details in your proposal in strict accordance with our own guidelines & priorities set forth for the upcoming year for Canadian Cricket.

However, we would like to keep your company open for possible future collaborations when such opportunity arises within Cricket Canada. Thank you again for your interest in having a Cricket Canada sanctioned event and we hope that collaboration opportunities will arise soon for both parties in near future.

Sincerely,

Zafar Khan
(Secretary- Cricket Canada)
